

Thrive Testing 2023

Thrive Testing skills is looking for emphasis on posture, quality control, starting and finishing positions, rhythm and technical development and progression of gymnastics skills specific to the Australian Levels Program. Thrive testing aims to test the gymnasts competency of demonstrating the skills and development drills required to be suitable in progressing to the squad program (Level 4+). It is important to note, some skills will not be tested in Term 1 of 2023 due to the development of their program. When gymnasts are safe to progress to a new skill or drill listed below that is when the coaches will test the requirement.
